PRESIDENT'S MESSAGE

by Michele Kipplen - Club President

As we approach a new election year, and a new summer we hope to be meeting in person eventually. As of current we will continue to meet via Zoom digitally.

Our monthly contest was well received and many participated that had not prior to Covid. Thank you Jack Myers for pursuing this and being able to continue with our monthly contests.

Other changes you may have seen is a new website. Charlie Mather's and Jack Myers worked diligently in getting this to work and also researched the many benefits the software has to offer.

Logistically the board felt this was the right move for our Club and a way for our club to stay active. By learning the new software we have been able to continue with the monthly contests and to provide judging via digitally verses in person.

So please take the time to check out our website
